

Partnering to bring the best of Australian dairy to the world

For over 30 years Burra Foods has represented quality and innovation in the global dairy market, specialising in the manufacture of high-end specialised dairy ingredients.

We pride ourselves on production ingenuity and our ability to innovate. Our wealth of experience and technical expertise means that we can tailor unique solutions to meet customer requirements and changes in the marketplace.

With offices based locally in Victoria, Burra Foods also has offices in key markets of Japan and China, and have long standing customer partnerships across many other markets having built a proud reputation of reliability, quality and innovation.

WHY CHOOSE BURRA FOODS?

Committed to our quality promise

Valuing people and our community

Innovative and unique solutions

Putting our customers at the heart of what we do

Our Milk

Ideally situated in Australia's premium dairy region of Gippsland, we source the best quality milk from farms where cows enjoy the freedom to graze on lush green pastures all year round. With our exacting production standards and commitment to food safety and product innovation, we've mastered the manufacture of high-end specialist dairy ingredients.

Our Approach

We continue to innovate and earn our reputation for ingenuity. With renowned technical expertise, we pride ourselves on partnering with our customers with unique and tailored solutions. Our wealth of experience and knowledge enables us to be flexible with our customers' requirements and agile in the ever-changing marketplace.

Our Products

Burra Foods produces a diverse, premium product mix – from kitchen staples and milk powders to concentrates and nutritionals, such as infant formula. We're known far and wide for our exacting production standards and professionalism.

FOOD PREP & BULK LIQUID

Tailor made milks, creams, cheese and concentrates that incorporate the highest quality milk.

MILK AND NUTRITIONAL POWDERS

Premium quality nutritional and milk powders for all ages and stages of life.

CONSUMER RETAIL

Specialist consumer brands using fresh, creamy milk from Australia's best dairy region.

FOOD SERVICE

Specialist café and barista range made from fresh milk from Australia's best dairy region.
